

Joint Barbecue and Membership Drive

On Sunday, July 22, 2018, members, friends, and family of the Alliance of Black Women Attorneys of Maryland, Inc. and the Monumental City Bar Association gathered for the annual Joint Summer Barbecue. The barbecue was held at the Community Center of Alicia Wilson's neighborhood. At this event, we enjoyed fellowship, good food, and fun. The committee members who were responsible for planning the event are: Myshala Middleton and Michelle Wilson on behalf of the Alliance and Nicole Barmore on behalf of Monumental. The event was well attended and people took advantage of the dues discount for both organizations. For the most part, the weather held out and we did not experience rain until close to the end of the day. The Honorable Kevin Wiggins of the District Court of Maryland for Baltimore County and Aaron Degraffenreit served as grill masters. Among numerous contributions, the Honorable Michael Studdard of the District Court of Maryland for Baltimore City contributed his legendary "mac and cheese."
